## FALL SEMESTER 2024/25 | 15:40-16:30

**Intro to Team Sports (Monday | 2.900 CZK):** Students will work with Coach K. to learn the basics of a variety of team sports such as volleyball, basketball, badminton and more! After an introduction to specific skills students will have the chance to play skirmishes against each other to build their sense of teamwork and fair play.

**Musical Theater (Tuesday | 3.900 CZK):** Students will explore musical and artistic experiences mainly through singing and playing the piano, encounters with music, piano and theater. We will listen to music of different genres, developing a sense of rhythm and musicality. The club will be led by Tereza Aster Vágnerová, singer and musical theatre actress, Richard Mašata, composer, pianist and singer, and Barbora Vágnerová, theatre actress and singer. Exceptionally, an interesting guest from the artistic environment will be invited to the circle.

**Football Club (Tuesday | 3.900 CZK):** operated by Prague Raptors Football Academy ([www.pragueraptors.com](http://www.pragueraptors.com)), students will practice their football skills and play against each other in football matches.

**Science Club (Wednesday | 3.900 CZK):** Students will foster their love of scientific exploration through a series of hands-on experiments and explorations. Led by Ms. Jenny, Science Club will build up and enhance student understanding of chemistry, biology, physics, mechanical engineering and more, all through the experience of interactive activities.

**Handicrafts Club (Wednesday | 3.900 CZK):** Students will learn how to crochet, make jewelry, make small crafts and presents for loved ones during this club led by Ms. Sari and Ms. Katka.

**French Club (Thursday | 2.900 CZK):** Bonjour! Led by Ms. Lamia, French Club is the place for BASIS students to learn the conversational basics of the French language through games, songs, and interactions with their peers. Students who were previously enrolled in French club will build on their existing knowledge, and complete beginners will explore the French language for the first time.

**Intro to Gymnastics (Thursday | 2.900 CZK):** Come and tumble with Coach K! This club will introduce students to the basics of gymnastics.

**Coding Club (Friday | 3.900 CZK):** Mr. Vojtěch Kozák and Mr. Safari are joining forces and combining their years of experience with the world of coding to introduce students to coding, programming and computer engineering concepts.
